“Hatfield Parish In Memoriam Album” commemorating the Centenary of WW1 1914 -1918.

We have had requests from several people wishing to buy a copy of our high quality “Hatfield Parish In Memoriam Album” commemorating the Centenary of WW1 1914 -1918. The album has information on the 172 men who died as a result of going to war from the then Parish of Hatfield, covering Hatfield, Hatfield Hyde, Lemsford, & Ponsbourne & Newgate Street. In order to fulfil these requests we have to have at least 25 definite orders. Cost would be £35 + p.p. where applicable. Anyone wishing to order a copy please get in touch with:—

Teifi Massingham

Sadly, Teifi Massingham a long standing member of our Society has died after a short illness.

Teifi was also an active member of our committee, helping at events and making tea at meetings.

The photograph on the right shows Teifi with Heather Richardson at an event in Hatfield Town Centre, in June this year, where HLHS had a display.

Teifi will be missed by us all, our sympathy goes out to Peter her husband and her family.

Hatfield Bell Ringers

We have had an enquiry from Rob Goss, Steeple Keeper at St. Etheldreda's Church:-

We are trying to find out the names of three of the six ringers in the 'George Austin' photo attached. The photo was found amongst George Austin's possessions after he died in February 2013. From left we know Stan Huckle (far left); the two to the left of him we don't know, then George Austin and Eric Edmonson and we don't know the chap on the right. On the back of the photo is written 'Kimpton, 1964'. George rang the bells at Hatfield for more than 50 years and we think these are all Hatfield ringers (Eric and Stan were certainly ringers at Hatfield). Stan and George both used to work at De Havilland. Eric was an architect.

I am writing to ask if any of your members might know who the other gentlemen are?
