## Hatfield Town Centre Event Sunday 8<sup>th</sup> July 2012

On the afternoon of Sunday the 8<sup>th</sup> July, crowds gathered to watch the Olympic Torch being carried through Hatfield Town Centre. To celebrate this event there were many activities happening in the Market Place and White Lion Square. Our Society organised a stall there, with display boards and items from the Mill Green Museum about WW2 in Hatfield. Lots of interest was shown and it was nice to see so many Hatfield people in the Town Centre despite the weather. Below are some photos taken at the event, sadly no good photo of the Torch Bearer.

Our busy stall
