

HATFIELD LOCAL HISTORY SOCIETY NEWSLETTERS

NOTES ABOUT THE INDEX

Editors: Frank Cox 1-71; Jon Brindle and Sheila Whittingham 72-123; Hazel K. Bell 124-

Note: References are to newsletter issue no. followed by (allotted) page numbers, each issue taken as beginning with page 1.

The Supplements to Newsletters 34, 56 and 61 are indexed as pages 5, 6 and 7.

Inserts to newsletters starting with no. 74 are indexed just as ins.

Page references are given in the form: issue.page(s).

The newsletter issue no. is followed by a stop; page numbers in that issue are separated by commas; newsletter references are separated by semi-colons. Thus –

40.2; 44.1, 3; 51.2-3; 76.ins

would indicate page 2 of newsletter 40, pages 1 and 3 of newsletter 44, pages 2 to 3 of newsletter 51 and the insert to newsletter 76.

References *in italics* indicate illustrations.

Article titles are given “in quotes”, under the names of the authors.

Book titles are listed *in italics*, under the names of the authors if given/known, otherwise under the book titles.

Major headings appear in **boldface**.
